RE: WC05-174

Dear Mr. Siegle:

This is a follow up to both your telephone call and that of Randy Clark about the Robbs Creek Exchange of ALLBAND Telephone Cooperative.

The Michigan Telecommunications Act (MTA), MCL 484.2101 et seq., for a license to provide basic local exchange service does not use the term "Study Area". The Robbs Creek Exchange was never part of another exchange or Study Area, as defined by the FCC Part 36 rules.

If you have any questions or comments, please do not hesitate to give me a call.

Sincerely,

Ronald Choura
